

Household Alert® System

Protect what matters most.

4 Zone Settings

Sensors can be programmed into four different zones.

Alert Warning

The Audio indicator will either emit a beep or siren.

Visual Warning

Receiver will flash a red LED when sensor has been triggered.

Expandable System

The System will work with up to 16 Sensors.

Supervised Sensor

Receiver alerts once connection has been lost with the sensor.

Operating Range

The Operation Range is up to 800 feet in an open area.

Door/Window Sensor

Alerts you when a door/window is open

Motion Sensor

Alerts you when motion is detected

Garage Door Sensor

Alerts you when a garage door is open

Water Sensor

Alerts you when water is detected
